

# TOBACCO, E-CIGARETTES, VAPES ALCOHOL AND OTHER DRUGS

QUALITY AREA 2 | VERSION 1

Working in partnership with Cancer Council Victoria, ELAA has aligned this policy to the key policies and guidelines of the Healthy Early Childhood Services Achievement Program

## PURPOSE

This policy provides guidelines to enable Beaconsfield Kindergarten to:

- provide a safe environment for all children which ensures their safety, health and wellbeing
- promote a cultural of health and wellbeing of all staff, children and families
- improve educational health and wellbeing outcomes for all children and families
- provide access to information on quitting smoking, vaping, alcohol and other drug use and promote the health benefits of avoiding these behaviours.

## POLICY STATEMENT

### VALUES

Beaconsfield Kindergarten is committed to:

- ensuring a smoke/vape free, illicit drug-free, and alcohol free environment for children, families, educators, staff, volunteers and visitors
- promoting low-risk alcohol consumption to our service community
- encouraging educators and staff to build on opportunistic learning moments with children
- providing information to educators, staff and families about the health benefits of not smoking, vaping or taking drugs, and responsible low risk alcohol consumption.

### SCOPE

This policy applies to the approved provider, persons with management or control, nominated supervisor, persons in day-to-day charge, early childhood teachers, educators, staff, students, volunteers, parents/guardians, children, and others attending the programs and activities of Beaconsfield Kindergarten, including during offsite excursions and activities.

RESPONSIBILITIES	Approved provider and persons with management or control	Nominated supervisor and persons in day-to-day charge	Early childhood teacher, educators and all other staff	Parents/guardians	Contractors, volunteers and students
<b>R</b> indicates legislation requirement, and should not be deleted					
1. Providing a safe and healthy environment for educators, staff, contractors, volunteers, students on placement,	<b>R</b>	<b>R</b>			

parents/guardians, children and others attending the programs and activities of Beaconsfield Kindergarten <i>(Regulation 103, National Law: Section 167)</i>					
2. Ensuring that children being educated and cared for by Beaconsfield Kindergarten are provided with an environment that is free from the use of vaping, tobacco/e-cigarettes, vapes, illicit drugs and alcohol <i>(Regulation 82 (1))</i>	R	√	√		√
3. Ensuring that a nominated supervisor, early childhood teachers, educators, staff, contractors, volunteers, students on placement at Beaconsfield Kindergarten are not affected by alcohol or drugs, including prescription medication ( <i>refer to Definition</i> ) to impair the person's capacity to supervise or provide education and care to children at Beaconsfield Kindergarten <i>(Regulation 83 (1))</i>	R	R	√		√
4. Not consuming alcohol or be affected by alcohol or drugs (including prescription medication) that impairs capacity to supervise or provide education and care to the children <i>(Regulation 83 (2) (a) (b))</i>	√	R	√		√
5. Developing procedures that include steps to remove an affected staff member from Beaconsfield Kindergarten so they do not further endanger other staff and children. Procedures should provide guidelines to ensure that the staff member is able to get home safely and outline steps for initiating police or ambulance intervention if the situation cannot be safely managed at the workplace level <i>(refer to Code of Conduct Policy and Compliments and Complaints Policy) (National Law: Section 167)</i>	R	R	√		√
6. Developing, updating and reviewing the <i>Tobacco, E-Cigarettes, Vapes, Alcohol and other Drugs Policy</i> in collaboration with the nominated supervisor, early childhood teachers, educators/staff, parents/guardians, children and others involved at Beaconsfield Kindergarten	√	√	√	√	√
7. Providing the nominated supervisor, early childhood teachers, educators, staff, contractors, volunteers, students and families with information about policy requirements, with opportunities to provide feedback and input	√	√	√	√	√
8. Considering diversity and cultural practices when implementing this policy and tobacco, e-cigarettes, vapes, alcohol and other drugs initiatives	√	√	√	√	√
9. Ensuring the <i>Tobacco, E-cigarettes, Vapes, Alcohol and other Drugs Policy</i> is included in educator and staff induction/orientation	R	√			
10. Preventing and managing risks associated with the use of alcohol and other drugs	R	√			
11. Monitoring the health and safety of early childhood teachers, educators, staff, contractors, volunteers, students on placement, parents/guardians and children	R	√			
12. Providing information and training to early childhood teachers, educators and staff, including information and	√	√			

training on vaping, tobacco, e-cigarettes, vapes, alcohol and other drugs					
13. Providing staff who identify as having an alcohol and/or other drugs problem referrals to professional assistance, and/or the Employee Assistance Program (if applicable)	√	√			
14. Ensuring there is a smoke and vape free zone ( <i>refer to Definition</i> ) within four metres of the entrance to Beaconsfield Kindergarten premises, and within ten metres of children's outdoor play areas	R	√			
15. Ensuring that there is smoke and vape free signage that can be easily seen and understood by the whole community	R	√			
16. Ensuring that all service events, on and off site, are smoke, vape and drug-free	R	√	√		√
17. If there is alcohol at a staff or family events, ensuring all legal requirements related to the sale and supply of alcohol are met and that responsible consumption of alcohol is promoted	R	√	√		√
18. If external organisations use the premises, a formal agreement ensuring that the service premises are smoke and vape-free, drug-free and responsible alcohol consumption is promoted	R	√			
19. Ensuring that the nominated supervisor, early childhood teachers, educators, staff, families and visitors adhere to legislation and Beaconsfield Kindergarten policies related to smoke and vape-free areas and are asked not to smoke in sight of children	R	√	√		√
20. Encouraging the nominated supervisor, early childhood teachers, educators and staff who smoke or vape to take appropriate hygiene measures after smoking so that children are not exposed to second-hand ( <i>refer to Definition</i> ) and third-hand smoke ( <i>refer to Definition</i> ) ( <i>refer to Hygiene Policy</i> )	R	√	√		√
21. Not consuming or being under the influence of alcohol or affected by drugs when attending Beaconsfield Kindergarten	√	√	√	√	√
22. Refraining from smoking in the car with children under the age of 18				√	
23. Ensuring the consumption of alcohol as a part of events, celebrations, awards, gifts and fundraising is done so responsibly	√	√	√		√
24. Supporting the nominated supervisor, early childhood teachers, educators, staff and families who want to quit smoking, vaping, drinking or using other drugs to access appropriate agencies and maintaining confidentiality	√	√			
25. Providing resources about the health risks related to smoking, vaping, excessive drinking and taking drugs to educators and staff	√	√			
26. Providing information about health risks related to smoking, vaping, excessive drinking and using other drugs	√	√			

to families and community members, including information about accessing support services					
27. Guiding age-appropriate, sensitive discussions about health issues related to vaping, tobacco, e-cigarettes, alcohol and drug use as opportunities arise (e.g. if a child is pretending to smoke)		√	√		√
28. Engaging in professional development and resources that guide age-appropriate, sensitive discussions about health issues related to vaping, tobacco, e-cigarettes, alcohol and drug use as opportunities arise		√	√		√
29. Ensuring that partnerships are established with relevant organisations and health professionals to support smoke and vape-free, drug-free and responsible consumption of alcohol initiatives where appropriate	√	√	√		√
30. Ensuring that there are no partnerships with organisations that market or supply alcohol, tobacco, vapes or e-cigarettes	√	√	√		√
31. Taking reasonable care for their own health and safety in the workplace, and the health and safety of others who may be affected by their acts or omissions ( <i>OHS Act section 25(1)(a) and (b)</i> )	√	√	√		√

## BACKGROUND AND LEGISLATION

### BACKGROUND

The effects of drugs and alcohol can impair the capacity of a person to make judgments relating to the care, safety and education of young children. The effects of vaping and tobacco smoking on an individual's health are well documented. Second-hand smoke (*refer to Definitions*) and third-hand smoke (*refer to Definitions*) is dangerous, especially for babies and children, as they have smaller airways that are still developing.

Children exposed to second-hand smoke are at an increased risk of early death and disease from various causes. Second-hand smoke can impair a baby's breathing and heart rate, which can put the baby at a higher risk of sudden unexpected death in infancy (SUDI). Exposure to second-hand smoke (*refer to Definitions*) and third-hand smoke (*refer to Definitions*) can affect a child's developing brain due to the sensitivities of the brain to very small amounts of toxins.

Drinking alcohol or taking other drugs can affect a person's ability to connect with and care for children. Alcohol and other drug use can become an occupational health and safety issue, as it may impair one's ability to exercise judgment, coordination, motor control, concentration, and alertness in the workplace. Employees unfit for work as a result of alcohol or other drug use put themselves, children and other staff members in the workplace at risk of harm.

The key to tobacco, e-cigarettes, vaping, alcohol and other drugs in the early years is prevention. The most effective means of prevention is providing an early childhood environment that is supportive and protective of all children. Building resilience and developing social and emotional competencies should start early to enhance the potential for children to resist risky behaviours later in life.

### LEGISLATION AND STANDARDS

Relevant legislation and standards include but are not limited to:

- Child Wellbeing and Safety Act 2005 (Vic) (Part 2: Principles for children)
- Early Childhood Australia's Code of Ethics (2016)
- Education and Care Services National Law Act 2010: Section 174

- Education and Care Services National Regulations 2011: Regulations 82, 82, 175, 176
- Liquor Control Reform Act 1998
- National Quality Standard, Quality Area 2: Children’s Health and Safety
- Occupational Health and Safety Act 2004
- Occupational Health and Safety Regulations 2007
- Tobacco Act 1987 (Vic)

The most current amendments to listed legislation can be found at:

## DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

**Alcohol:** A depressant drug that slows down activity in the central nervous system.

**Drug:** Refers to any substance taken to change the way the body and/or mind functions.

**E-cigarette product:** Any electronic device that is intended to be used to create an aerosol for inhalation and any liquid, or product containing liquid, intended to be used in or with an electronic device to create an aerosol for inhalation

**Prescription medication:** medicine that can only be made available to a patient on the written instruction of an authorised health professional. Examples of prescription medicines include blood pressure tablets, cancer medicine and strong painkillers.

**Second-hand smoke:** refers to the ambient smoke that is a by-product of active smoking. It consists mainly of exhaled mainstream smoke and side stream smoke mixed with air. Breathing in second-hand smoke is also called passive smoking or involuntary smoking.

**Smoke Free Zone:** smoking that is prohibited in all enclosed workplaces and certain public spaces where members of the public gather and may be exposed to second-hand tobacco smoke.

**Third-hand smoke:** refers to residual tobacco smoke constituents that remain on clothes, surfaces and in dust after tobacco has been smoked. These substances are then re-emitted as gases or react with other compounds in the environment to create other substances.

**Tobacco product:** Any device or product that contains organic matter that is heated or burned to create aerosol or smoke that is inhaled by the user.

**Tobacco, alcohol and other drugs:** For the purposes of this policy and for the Healthy Early Childhood Services Achievement Program, the ‘Tobacco, Alcohol and Other Drugs’ health priority area focuses on creating smoke-free and drug-free environments and responsible alcohol consumption.

**Vaping:** E-cigarettes, also known as ‘vapes’, are battery operated devices that work by heating a liquid (or ‘juice’) until it becomes an aerosol that users inhale. Using an e-cigarette is commonly called ‘vaping’.

#### EVALUATION

In order to assess whether the values and purposes of the policy have been achieved, the approved provider will:

- regularly seek feedback from everyone affected by the policy regarding its effectiveness
- monitor the implementation, compliance, complaints and incidents in relation to this policy
- assess whether a satisfactory resolution has been achieved in relation to issues arising from this policy
- keep the policy up to date with current legislation, research, policy and best practice
- revise the policy and procedures as part of the service’s policy review cycle, or as required
- notifying all stakeholders affected by this policy at least 14 days before making any significant changes to this policy or its procedures, unless a lesser period is necessary due to risk (*Regulation 172 (2)*).

#### ATTACHMENTS

- Procedures for removing a drug – or alcohol- affected staff member

#### AUTHORISATION

This policy was adopted by the approved provider of Beaconsfield Kindergarten on 15 SEP, 2025

**REVIEW DATE:** 10/08/2028

## ATTACHMENT 1

### Procedures for removing a drug- or alcohol-affected staff member

Regulation 82 (1) of the *Education and Care Services National Regulations* states “The approved provider of an education and care service must ensure that children being educated and cared for by the service are provided with an environment that is free from the use of tobacco, illicit drugs and alcohol.”

Regulation 83 (1) states “The approved provider of an education and care service must ensure that a nominated supervisor or a staff member of, or volunteer at, the service is not affected by alcohol or drugs (including prescription medication) so as to impair the person’s capacity to supervise or provide education and care to children being educated and cared for by the service.”

If someone believes that a staff member, student or volunteer working with children at Beaconsfield Kindergarten is under the influence of drugs or alcohol, they should:

- observe the person and note any indicators which lead to this belief, for example:
  - scent of alcohol on breath or person
  - speaking too loudly or too softly
  - slurred speech
  - bloodshot eyes
  - lack of alertness; for example, responding slowly to questions
  - poor motor control (stumbling, bumping into others, difficulty picking things up etc.)
  - drowsiness
  - rude, aggressive or other inappropriate behaviour.
  
- report beliefs to a management representative – the Centre Manager, or in their absence, the Nominated Supervisor or a committee member.
- The management representative will approach the affected person calmly and respectfully and request to discuss the situation in private.
- If the management representative believes that the person is impaired by drugs or alcohol, the affected staff member will be put on personal leave immediately. Where necessary, a replacement educator will be sourced as soon as possible.
- The affected person’s emergency contact will be called to pick them up. If this is not possible, the management representative may offer to take them home.
- If the affected person becomes a danger to themselves or others, e.g. due to illness or abusive behaviour, the management representative will phone 000 and request an ambulance or police support.
- The management representative will document all actions and observations.
- The affected staff member will be requested to attend a formal disciplinary hearing within one week of the event (or as soon as possible after that).
- The affected staff member will be supported to obtain professional help if necessary.
